“ Our sweet Patrick as we aunts were so excited to have a little one join our family in the late 50s. Always easy to take care of but time is a monster and we all grew older and missed time together. His college career and jobs in Birmingham, Atlanta and DC with the airlines made time together slim. I enjoyed the last few months talking and texting as we both could discuss our issues. He will certainly be remembered as special by the Shaneyfelt family. Oma , Pappy and all.
